

## Updated Public Statement

# Pine Street Culvert Finished, Inspected and **NOW OPEN** to Vehicular, Pedestrian and Bicycle Traffic

### Pine Street Culvert Update:

Ignace June 20, 2024 – Today, final inspections and reviews of the Pine Street Culvert Project were conducted, and finalization of the project was provided.

The Township of Ignace, Mayor and Council and Township Staff are pleased to announce that the Pine Street Culvert Project is now **completed** and is **NOW OPEN** to all vehicular, pedestrian and bicycle traffic.

Major paving and concrete work have now been completed and all aspects of the walkway and road are now fully functional. A few minor adjustments will be made on the adjacent groundwork over the next few weeks.

We want to thank all of our residents in the Township of Ignace for their patience and ongoing support of our community infrastructure projects.

We also thank the Disaster Recovery Funding Assistance Program of the Ministry of Municipal Affairs and Housing for their assistance in funding this vital infrastructure project on behalf of the Township of Ignace.

Mayor Kim Baigrie and Members of Council
